COURT & VILLA NEWS

2026 Chili Cook Off Friday 30th Court Dining Room

We are looking for at least **five Court and Villa residents** to enter the Chili Cook Off this year.

Please see Kirsten to sign up!
Please sign up before Monday
12th.

Red or White chili is accepted.
Toppings are permitted (cheese, crackers,
sour cream, tortilla chips etc.)
Please have Chili to the Court by 3pm for
set up.

There will be 1st & 2nd place winners, so
we do need 5+ chili's to be entered.
Kirsten will serve punch, water, and vanilla
ice cream.

Hazardous Conditions:

Our maintenance crew works diligently during inclement weather to keep up on shoveling, plowing, salting and other campus requests. When we have a winter storm our crew will flex their hours to work around specific times based on the end of the winter storm. They could come in at 4:00 am, leave for a few hours and then return for an evening treatment once the sun goes down. They are all very flexible during this time of year to accommodate our campus needs.

Just a few important reminders about winter months:

- 1 Please **avoid areas** that have not been treated yet, especially if you see ice. Please call the main number to report spots that need treatment.
- 2 Please **do not approach the crew** as they are working and running equipment. They might not see you and be unable to stop.
- 3 Please **pull your car in** the garage so they can plow & salt your driveway.
- 4 When it is **10 degrees and below**, the ice forms even faster and salt takes longer to work at melting it. In addition, when it is below zero degrees out it can actually cause wet pavement to refreeze almost immediately.
- 5 The crew plows the **main areas first** and then moves on to villa driveways. There will be people shoveling/salting villa front door entrances and all court main entrances. Individual court patios are not maintained by our crew so please be sure to use one of the 9 court entrance that are well maintained.
- 6 If you do have an **early appointment** that can not be avoided please let us know in advance and we will do our best to accommodate your request for an early clean out.
- 7 In the event of a **villa power outage** please note that the court is used as a warming space. For extended outages you might want to consider alternate housing options off campus while we wait for power restoration.
